

Golf Clinics with Landon Christie

Let's start the new year by improving your golf game and cutting your handicap in half!

This year I will be conducting a *Terravita non-golf social member clinic* on Saturdays from 2:00pm - 3:00pm on the back driving range. Sign-ups will be by email or phone calls only from the numbers below and be limited to the first 10 participants. Please check the dates of the clinics and the topic of the lesson for that Saturday at the bottom of the page for more information. Also, you can set lessons up on any day, but this year I will be on the driving range Wednesdays and Thursdays from 12 pm-6 pm for anyone that would like instruction. We have also added a few new teaching aids this year, as well as a new JC video system to help video tape your swing. If you are interested in a lesson or have any questions regarding your game please feel free to contact me: Landon Christie, PGA Professional - Email: landon.christie@pga.com or Cell Phone: 480-695-8429
